NEUROBIOLOGY OF AGING

VOLUME 4 NUMBER 1 SPRING 1983

CONTENTS

Cortical neuronal counts in normal elderly controls and demented patients.
MOUNTJOY, C. Q., M. ROTH, N. J. R. EVANS and H. M. EVANS 1

Lysosomal enzyme changes in young and aged control and entorhinal-lesioned rats.
VIJAYAN, V. K. and C. W. COTMAN 13

Amelioration of age-related neurochemical and behavioral deficits by 3,4-diaminopyridine.
PETERSON, C. and G. E. GIBSON 25

Acetylcholine release from rat cortical slices during postnatal development and aging.
PEDATA, F., J. SLAVIKOVA, A. KOTAS and G. PEPEU 31

Memory retention: Potentiation of cholinergic drug combinations in mice.
FLOOD, J. F., G. E. SMITH and A. CHERKIN 37

Eyeblink conditioning deficits in the old cat.
HARRISON, J. and J. BUCHWALD 45

Effects of ovariectomy and steroid replacement on hypothalamic LHRH content in aging female rats.
STEGER, R. W., W. E. SONNTAG, J. J. PELUSO and J. MEITES 53

Evoked potential latency change with age suggests differential aging of primary somatosensory cortex.
SIMPSON, D. M. and C. W. ERWIN 59

Age-associated changes in the effects of amphetamine on the blood-brain barrier of rats.
SANKAR, R., E. BLOSSOM, K. CLEMONS and P. CHARLES 65

Age-related changes in rat brain capillaries.
HICKS, P., C. ROLSTEN, D. BRIZZEE and T. SAMORAJSKI 69

Stability of synaptic density and spine volume in dentate gyrus of aged rats.
CURCIO, C. A. and J. W. HINDS 77

Effects of centrophenoxine on lipofuscin on the retinal pigment epithelium of old mice.
DYLEWSKI, D. P., S. NANDY and K. NANDY 89

BRIEF COMMUNICATION

Altered sensitivity of forebrain neurones to iontophoretically applied noradrenaline in aging rats
JONES, R. S. G. and H.-R. OLPE 97

AGE PAGE 101

ANNOUNCEMENTS 107

NEUROBIOLOGY OF AGING

VOLUME 4 NUMBER 2 SUMMER 1983

CONTENTS

Loss of place specificity in hippocampal complex spike cells of senescent rat.
BARNES, C. A., B. L. McNAUGHTON and J. O'KEEFE 113

Regional cerebral metabolic rate for glucose in beagle dogs of different ages.
LONDON, E. D., M. OHATA, H. TAKEI, A. W. FRENCH and S. I. RAPOPORT 121

Paucity of morphological changes in the brains of ageing beagle dogs: Further evidence that Alzheimer lesions are unique for human central nervous system.
BALL, M. J., J. MACGREGOR, I. M. FYFE, S. I. RAPOPORT and E. D. LONDON 127

The pituitary-adrenal response to novel stimulation and ether stress in young adult and aged rats.
BRETT, L. P., G. S. CHONG, S. COYLE and S. LEVINE 133

Measurement of cholinergic drug effects on memory in Alzheimer's disease.
BRINKMAN, S. D. and S. GERSHON 139

Decreased content of met-enkephalin-like peptides in superior cervical and coeliac ganglia of aged rats.
GOVONI, S., C. MISSALE, L. CASTELLETTI, P. F. SPANO and M. TRABUCCHI 147

Age-related changes in adrenergic neuronal function of rabbit vascular smooth muscle.
DUCKLES, S. P. 151

Methadone effects on locomotor activity of young and aged mice.
MIDDAUGH, L. D., D. K. INGRAM and M. A. REYNOLDS 157

Age-related changes in the cerebrospinal fluid outflow glycosaminoglycans.
KNEPPER, P. A., R. K. LOSEY, J. A. COLLINS, D. G. McLONE, H. G. WEINSTEIN and M. BREEN 163

ANNOUNCEMENTS 175

NEUROBIOLOGY OF AGING

VOLUME 4 NUMBER 3 FALL 1983

CONTENTS

Recovery of function after brain damage: Differences in aged rats?
LEVERE, N. D. 181

β-Endorphin: Effect on thermoregulation in aged monkeys.
MURPHY, M. T. and J. M. LIPTON 187

Life-long dietary restriction affects striatally-mediated behavioral responses in aged rats.
JOSEPH, J. A., J. WHITAKER, G. S. ROTH and D. K. INGRAM 191

Morphometry of nuclei, nuclear envelopes and nucleoli in aging hamster cerebrum.
BUSCHMANN, MB. T. and A. LAVELLE 197

Reduced resistance to progressive extinction in senescent rats: A neuroanatomical and behavioral study.
SARTER, M. and H. J. MARKOWITSCH 203

Aging-related reduced release of LH-releasing hormone from hypothalamic granules.
RICE, G. E., G. CHO and A. BARNEA 217

Sexual behavior in response to testosterone in old long-term-castrated rhesus males.
CHAMBERS, K. C. and C. H. PHOENIX 223

Effects of calcitonin on the brain of aged rats.
CLEMENTI, G., A. PRATO, R. BERNARDINI, F. NICOLETTI, F. PATTI, D. DE SIMONE and U. SCAPAGNINI 229

Age-related decline in adrenergic responsiveness of the kidney, heart and aorta of male rats.
SIMPKINS, J. W., F. P. FIELD and R. J. RESS 233

Further studies on age-related unusual catecholamine structures in brain.
MASUOKA, D. T. 239

MEETING REPORT

Fifth International Conference on the Dynamics of Cholinergic Function.
PONTECORVO, M. J. 243

ANNOUNCEMENTS 257

NEUROBIOLOGY OF AGING

VOLUME 4 NUMBER 4 WINTER 1983

CONTENTS

Biochemical changes in dementia disorders of Alzheimer type (AD/SDAT).
GOTTFRIES, C.-G., R. ADOLFSSON, S.-M. AQUILONIUS, A. CARLSSON, S.-Å. ECKERNÄS, A. NORDBERG, L. ORELAND, L. SVENNERHOLM, Å. WIBERG and B. WINBLAD 261

The effects of aging on the neuronal population in area 17 of adult rat cerebral cortex.
PETERS, A., M. L. FELDMAN and D. W. VAUGHAN 273

Integrity of blood-brain barrier to peroxidase in senescent mice.
RUDICK, R. A. and S. J. BUELL 283

**CT scan studies of superficial cerebral regions:
Frequency and distribution of abnormalities in elderly psychiatric patients.**
BENES, F. M., M. E. SWIGAR, S. L. C. ROTHMAN, C. OPSAHL and M. DOWDS 289

Computed tomographic and nuclear magnetic resonance correlation of canine ceroid-lipofuscinosis with aging.
ARMSTRONG, D., R. G. QUISLING, A. WEBB and N. KOPPANG 297

**Intermale aggression and infanticide in aged C57BL/6J male mice:
Behavioral deficits are not related to serum testosterone (T) levels and are not recovered by supplemental T.**
SVARE, B., M. MANN, J. BROIDA, C. KINSLEY, L. GHIRALDI, J. MIELE and C. KONEN 305

**Psychomotor performance in the senescent rodent:
Reduction of deficits via striatal dopamine receptor up-regulation.**
JOSEPH, J. A., R. T. BARTUS, D. CLODY, D. MORGAN, C. FINCH, B. BEER and S. SESACK 313

Methadone in brain and its effects on locomotor activity of young and aged mice.
MIDDAUGH, L. D., I. M. KAPETANOVIC, D. J. SWEENEY and D. K. INGRAM 321

MEETING REPORTS

American Aging Association.
DEAN, R. L., III 327

George A. Talland Memorial Conference on Memory and Aging.
FLICKER, C. 329
